

A high-resolution image of Earth from space, centered on the African continent. The top of the frame shows the northern coast of Africa and the southern tip of Europe, with the Mediterranean Sea in between. The bottom of the frame shows the southern coast of Africa and the Indian Ocean. The Earth's surface is detailed with landmasses, oceans, and cloud cover. A bright blue glow is visible along the horizon of the Earth, suggesting the sun is just below the horizon. The background is a deep black space filled with numerous small, distant stars.

REVELATION 12:11

“And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death”

ACTS 19:8-10

8 And he went into the synagogue and spoke boldly for three months, reasoning and persuading concerning the things of the kingdom of God. 9 But when some were hardened and did not believe, but spoke evil of the Way before the multitude, he departed from them and withdrew the disciples, reasoning daily in the school of Tyrannus. 10 And this continued for two years, so that all who dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.
